RE: Designation of Adequate Water Supply, Pueblo del Sol Water Company (DWR No. 40-700705.0000)

Dear Sirs:

I am a resident and landowner in the Upper San Pedro groundwater basin. I object to ADWR issuing a designation of adequate water supply for Pueblo del Sol Water Company. My grounds are that the criteria for determining an adequate water supply, set forth in Arizona Revised Statutes, Section 45-108 and the Arizona Administrative Code, R12-15-701 et seq will not be met.

The water is not legally available for at least 100 years, as required by ARS §45-108. The reasons for the lack of legal availability are spelled out in the letter to ADWR from the Bureau of Land Management dated March 16.
If ADWR gives their approval for designation of adequate water supply, I believe that would be legally and fiscally irresponsible. I urge ADWR to not give their approval.

Sincerely yours,

Jim Horton
