DOCKET NO. U-2465-89-281

DOCKET NO. U-2208-89-281

DECISION NO. 56892

OPINION AND ORDER

DATE OF HEARING: February 22, 1990

PLACE OF HEARING: Tucson, Arizona

PRESIDING OFFICER: Evo J. De Concini

APPEARANCES: MARTINEZ & CURTIS, P.C., by Mr. William P. Sulliven on behalf of Applicant Bella Vista Water Company, Inc., and

Mr. Christopher C. Kempley, Assistant Chief Counsel, Legal Division, on behalf of the Arizona Corporation Commission.

BY THE COMMISSION:

FINDINGS OF FACT

1. Bella Vista Water Company, Inc. ("Bella Vista" or "Applicant") is an Arizona corporation, a subsidiary of Bella Vista Ranches, Inc. of Arizona and a public service corporation duly certificated by the Arizona Corporation Commission ("Commission") and authorized to provide service in portions of Cochise County, Arizona (See Decision No. 55016, dated May 1, 1986).

2. Currently Bella Vista serves approximately 6,000 customers.

3. By Decision No. 51097 (June 26, 1980) Bella Vista Ranches, Inc. was authorized to acquire and did acquire all the assets and certificate of convenience and necessity ("CC&N") of Southwest Water Company located in

Cochise County, Arizona.

4. Decision No. 55016, inter alia, authorized the transfer of said assets and CC&N to the Applicant.

5. Pueblo del Sol Water Company ("Pueblo del Sol") is also an Arizona corporation duly certificated by this Commission and authorized to provide water service in certain areas of Cochise County, Arizona, adjacent to the certificated area of Bella Vista.

6. Pueblo del Sol presently provides service to approximately 1,100 customers.

7. Pursuant to Decision No. 42867 (October 10, 1972) Pueblo del Sol was authorized to serve, inter alia, "all or part" of Section 7, Township 22 South, Range 21 East, G&SRB&M, Cochise County, Arizona.

8. As a result of Pueblo del Sol's inability or unwillingness to provide water service to certain portions of said Section 7, Southwest Water Company, with the alleged consent of Pueblo del Sol, in September, 1974, commenced providing water service therein.

9. With the acquisition of Southwest Water Company, Bella Vista Ranches, Inc., and subsequently Bella Vista, inherited the obligation to serve Southwest Water Company's customers in Section 7.

10. Bella Vista presently serves 96 residential and 45 commercial customers in Section 7, adjacent to Bella Vista's certificated area.

11. Bella Vista provides water service to said customers pursuant to its authorized rates which are substantially lower than the rates of Pueblo del Sol (Tr. p. 10).

12. Pueblo del Sol does not have any water procurement and distribution facilities in the subject area.

13. On November 7, 1989, Bella Vista and Pueblo de Sol filed this application in order to delete from the CC&N of Pueblo del Sol that portion

of Section 7 currently served by Bella Vista, and add said area to the CC&N of Bella Vista.

14. Although Pueblo del Sol did not appear at the hearing, the application and the testimony indicates Pueblo del Sol has no objection to this deletion and, in support thereof, has filed an Affidavit dated October 18, 1989, (Exhibit 3).

15. The subject portion of Section 7 is presently located within the Sierra Vista, Arizona, city limits.

16. Although no franchise is required by the City of Sierra Vista (Tr. p. 16), Bella Vista has obtained all other requisite permits issued by state or local agencies.

17. The subject application was authorized by Resolution of the Board of Directors of Bella Vista, dated October 29, 1989 (Exhibit 4).

18. Because no notice of this application was given to the affected customers and property owners in the subject area of Section 7, at the hearing, the Applicant was directed to provide such notice with the understanding that the hearing would be reopened if deemed necessary.

19. Notice was mailed by Applicant on February 28, 1990 to said customers and property owners, and after a 15-day response period, the Commission was informed by Staff that no one objected to the application.

20. Undisputed evidence regarding the present need for water service in this area was introduced at the hearing.

21. Bella Vista is aware and understands that it must maintain the currently authorized rates and tariffs until changed by future, written order of this Commission.

22. Bella Vista has the financial and technical capabilities to serve all present and future customers in the subject area.

23. Staff recommends approval of the application.

CONCLUSIONS OF LAW

1. Bella Vista and Pueblo del Sol are public service corporations within the meaning of Article XV of the Arizona Constitution and A.R.S. §§40-281, et seq.

2. The Commission has jurisdiction over Bella Vista and Pueblo del Sol and of the subject matter of the joint application.

3. The modification of the CC&N of each of these two public service corporations is in the public interest and should be approved.
