Mr. Sullivan. Please find attached to this email my filings in the Castle & Cooke/Pueblo del Sol adequacy matter. Just want to make sure that you have all the documents that I filed so that you can find them efficiently for your response.

I am "cc"ing the Consumer Fraud Division at the AZ AGs office as failure to notify consumers of the inadequacy of water in the Upper San Pedro Basin violates the Arizona Consumer Fraud Act (A.R.S. 44-1521, 44-1522).
