RE: Designation of Adequate Water Supply (40-700705.0000)
Pueblo del Sol Water Company

Dear Mrs. Hodiak:

On July 1, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application via electronic mail without a physical mailing address.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. Section 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." This statute also states, "An objection shall state the name and mailing address of the objector and be signed by the objector, the objector's agent or the objector's attorney." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection did not include a mailing address or signature and was received after May 10, 2012, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

If you have any questions concerning this matter, please contact Nicole Klobas, Deputy Counsel, at (602) 771-8472.

Sincerely,

Thomas Buschatzke, Assistant Director
Water Planning Division
