RE: Designation of Adequate Water Supply (40-700705.0000)
Pueblo del Sol Water Company

Dear Adrien Radke:

On April 26, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. Section 45-108.01(B) provides that "The objection shall clearly set forth reasons why the application does not meet the criteria" for determining an adequate water supply set forth in A.R.S. § 45-108(I).

Your objection failed to set forth reasons why the application does not meet the statutory criteria for determining an adequate water supply. For that reason, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

If you have any questions concerning this matter, please contact Nicole Klobas, Deputy Counsel, at (602) 771-8472.

Sincerely,

Thomas Buschatzke, Assistant Director
Water Planning Division
