RE: Designation of Adequate Water Supply (40-700705.0000)
Pueblo del Sol Water Company

Dear Mr. & Mrs. Clause:

On May 11, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. A.R.S. § 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection was received after May 10, 2012, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

If you have any questions concerning this matter, please contact Nicole Klobas, Deputy Counsel, at (602) 771-8472.

Sincerely,

Thomas Buschatzke, Assistant Director
Water Planning Division

Dear Dr. Witzeman:

On May 16, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. A.R.S. § 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection was received after May 10, 2012, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

RE: Designation of Adequate Water Supply (40-700705.0000)
Pueblo del Sol Water Company

Dear Sir or Madam:

On June 4, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application via electronic mail without a physical mailing address.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. Section 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." This statute also states, "An objection shall state the name and mailing address of the objector and be signed by the objector, the objector's agent or the objector's attorney." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection did not include the name, mailing address, or signature of the objector, and was received after May 10, 2012, the Department will not consider your objection as a proper objection under A.R.S. § 45-108.01.

If you have any questions concerning this matter, please contact Nicole Klobas, Deputy Counsel, at (602) 771-8472.

Dear Ms. Lands:

On June 12, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. A.R.S. § 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection was received after May 10, 2012, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

If you have any questions concerning this matter, please contact Nicole Klobas, Deputy Counsel, at (602) 771-8472.

Dear Ms. Maerz:

On June 22, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. A.R.S. § 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." For the above-referenced application, the last day to file an objection was May 10, 2012.

Because your objection was received after May 10, 2012, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.

Dear Mrs. Hodiak:

On July 1, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application via electronic mail without a physical mailing address.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. Section 45-108.01(B) provides that objections "may be filed with the director . . . within fifteen days after the last publication of notice." Dear Ms. Gerrodette:

On May 9, 2012, the Arizona Department of Water Resources ("Department") received your letter regarding the above-referenced application. Your letter states that Huachuca Audubon Society "is neither a 'resident' nor a landowner," and therefore your letter "does not constitute a formal submission." For that reason, the Department does not consider your letter as a proper objection under A.R.S. § 45-108.01.

Dear Ms. Radke:

On April 26, 2012, the Arizona Department of Water Resources ("Department") received your objection to the above-referenced application.

The public notice and objection process for designation applications is set forth by statute in A.R.S. § 45-108.01. Section 45-108.01(B) provides that "The objection shall clearly set forth reasons why the application does not meet the criteria" for determining an adequate water supply set forth in A.R.S. § 45-108(I).

Your objection failed to set forth reasons why the application does not meet the statutory criteria for determining an adequate water supply. For that reason, the Department does not consider your objection as a proper objection under A.R.S. § 45-108.01.
