“(A) criteria for determining when art materials may produce chronic adverse health effects in children and criteria for determining when art materials may produce such health effects in adults,

“(B) criteria for determining which substances contained in art materials have the potential for producing chronic adverse health effects and what those effects are,

“(C) criteria for determining the bioavailability of chronically hazardous substances contained in art materials when the products are used in a customary or reasonably foreseeable manner, and

“(D) criteria for determining acceptable daily intake levels for chronically hazardous substances contained in art materials. Where appropriate, criteria used for assessing risks to children may be the same as those used for adults.

“(3) The Commission shall periodically review the guidelines established under paragraph (1) to determine whether the guidelines reflect relevant changes in scientific knowledge and in the formulations of art materials, and shall amend the guidelines to reflect such changes.

“(e) The Commission shall develop informational and educational materials about art materials and shall distribute the informational and educational materials to interested persons.

“(f) The Commission may bring an action under section 8 to enjoin the purchase of any art material required to be labeled under this Act which is for use by children in pre-kindergarten, kindergarten, or grades 1 through 6.”

Approved November 18, 1988.

PUBLIC LAW 100–696 [S. 2840]; November 18, 1988
ARIZONA–IDAHO CONSERVATION ACT OF 1988

An Act to provide for the designation and conservation of certain lands in the States of Arizona and Idaho, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act be cited as the “Arizona-Idaho Conservation Act of 1988”.

TITLE I—SAN PEDRO RIPARIAN NATIONAL CONSERVATION AREA

ESTABLISHMENT OF SAN PEDRO RIPARIAN NATIONAL CONSERVATION AREA

SEC. 101. (a) ESTABLISHMENT.—In order to protect the riparian area and the aquatic, wildlife, archeological, paleontological, scientific, cultural, educational, and recreational resources of the public lands surrounding the San Pedro River in Cochise County, Arizona, there is hereby established the San Pedro Riparian National Conservation Area (hereafter in this title referred to as the “conservation area”).

(b) AREA INCLUDED.—The conservation area shall consist of public lands as generally depicted on a map entitled “San Pedro Riparian National Conservation Area—Proposed” numbered AZ-040-OZ, dated January 1988, and consisting of approximately 56,431 acres.

(c) MAP.—As soon as is practicable after enactment of this title, a map and legal description of the conservation area shall be filed by the Secretary of the Interior (hereafter in this title referred to as the “Secretary”) with the Committee on Interior and Insular Affairs of the House of Representatives and the Committee on Energy and Natural Resources of the United States Senate. Each such map shall have the same force and effect as if included in this title. Such map shall be on file and available for public inspection in the Office of the Director of the Bureau of Land Management, Department of the Interior, and in the Bureau of Land Management offices of the State Director for Arizona, and the district office responsible for the management of the conservation area.

MANAGEMENT OF CONSERVATION AREA

SEC. 102. (a) GENERAL AUTHORITY.—The Secretary shall manage the conservation area in a manner that conserves, protects, and enhances the riparian area and the aquatic, wildlife, archeological, paleontological, scientific, cultural, educational, and recreational resources of the conservation area. Such management shall be guided by this title and, where not inconsistent with this title, by the provisions of the Federal Land Policy and Management Act of 1976 (hereinafter in this title referred to as “FLPMA”).

(b) USES.—The Secretary shall only allow such uses of the conservation area as he finds will further the primary purposes for
which the conservation area is established. Except where needed for administrative or emergency purposes, the use of motorized vehicles in the conservation area shall only be allowed on roads specifically designated for such use as part of the management plan prepared pursuant to section 103 of this title. The Secretary shall have the power to implement such reasonable limits to visitation and use of the conservation area as he finds appropriate for the protection of the resources of the conservation area, including requiring permits for public use, or closing portions of the conservation area to public use.

(c) WITHDRAWALS.—Subject to valid existing rights, all Federal lands within the conservation area are hereby withdrawn from all forms of entry, appropriation, or disposal under the public land laws; from location, entry, and patent under the United States mining laws; and from disposition under all laws pertaining to mineral and geothermal leasing and all amendments thereto.

(d) WATER RIGHTS.—Congress reserves for the purposes of this reservation, a quantity of water sufficient to fulfill the purposes of the San Pedro Riparian National Conservation Area created by this title. The priority date of such reserve rights shall be the date of quantification of such rights in an appropriate stream adjudication.

(e) ENFORCEMENT.—Any person who violates any provision of this title or any regulation promulgated by the Secretary to implement this title shall be subject to a fine of up to $10,000, or imprisonment for up to one year, or both.

MANAGEMENT PLAN

Sec. 103. (a) DEVELOPMENT OF PLAN.—No later than 2 years after the enactment of this title, the Secretary shall develop a comprehensive plan for the long-range management and protection of the conservation area. The plan shall be developed with full opportunity for public participation and comment, and shall contain provisions designed to assure protection of the riparian area and the aquatic, wildlife, archeological, paleontological, scientific, cultural, educational, and recreation resources and values of the conservation area.

(b) RECOMMENDATIONS.—The Secretary shall, in the comprehensive plan referred to in subsection (a), develop recommendations to Congress on whether additional lands should be included in the conservation area.

(c) COOPERATIVE AGREEMENTS.—The Secretary may enter into cooperative agreements with appropriate State and local agencies, operative agreements with appropriate State and local agencies, and cooperative agreements with appropriate State and local agencies, to better implement the plan developed pursuant to subsection (a).

(d) RESEARCH.—In order to assist in the development of appropriate management strategies for the conservation area, the Secretary may authorize research on matters including the environmental, biological, hydrological, and cultural resources of the conservation area, pursuant to section 307(a) of FLIPMA.

ADVISORY COMMITTEE

Sec. 104. (a) ESTABLISHMENT.—The Secretary shall establish a San Pedro Riparian National Conservation Area Advisory Committee, whose purpose shall be to advise the Secretary with respect to the preparation and implementation of the comprehensive, long-range plan required pursuant to section 103 of this title.

(b) MEMBERSHIP.—Sec. 104 shall be 7 members of the Committee, who shall be appointed by the Secretary. Members of the Committee shall be appointed for terms of three years, except that the members first appointed shall be appointed for terms of 1 year and shall be appointed for terms of 2 years.

LAND ACQUISITION

Sec. 105. The Secretary may acquire lands or interests in lands within the boundaries of the conservation area by exchange, purchase, or donation, except that any lands or interests therein owned by the State or local government may be acquired by donation or exchange only. Any purchase or exchange of lands to be added to the conservation area shall require the consent of the owner of those lands or rights.

REPORT TO CONGRESS

Sec. 106. No later than five years after the enactment of this title, and every ten years thereafter, the Secretary shall report to the Committee on Interior and Insular Affairs of the House of Representatives and the Committee on Energy and Natural Resources of the United States Senate, on the implementation of this title. Such report shall include a detailed statement on the condition of the resources within the conservation area and of the progress of the Bureau of Land Management in achieving the purposes of this title.

AUTHORIZATION

Sec. 107. There are hereby authorized to be appropriated such sums as may be necessary to carry out the provisions of this title.

TITLE II—CITY OF ROCKS NATIONAL RESERVE

ESTABLISHMENT OF CITY OF ROCKS NATIONAL RESERVE

Sec. 201. (a) There is hereby established the City of Rocks National Reserve (hereinafter referred to as the “reserve”), in order to preserve and protect the significant historical and cultural resources; to manage recreational use; to protect and maintain scenic quality; and to interpret the nationally significant values of the reserve.

(b) The reserve shall include approximately fourteen thousand three hundred and twenty acres as depicted on the map entitled “Boundary Map, City of Rocks National Reserve, Idaho” numbered P30-80,005 and dated October 1987. The map shall be on file in the offices of the National Park Service, Department of the Interior and the Office of the Governor, State of Idaho.

(c) Within six months after the enactment of this title, the Secretary of the Interior (hereinafter in this title referred to as the...
