

Webmaster's Note:

December 7, 2012

By order of the Administrative Law Judge Eigenheer, the digital recording of the prehearing held on December 6, 2012, was posted to the electronic case file.

To prepare your computer to allow you to listen to any posted digital recording, you will need to download an program (dsslite) found at <http://www.azoah.com/tutorial.html>

When the program is loaded to your computer, it will open automatically when you select an audio record from the electronic case file.
