IN THE OFFICE OF ADMINISTRATIVE HEARINGS

In the Matter of:
ABC Ambulance
Applicant.

No. 2019-EMS-0151-DHS

Minute Entry No. 1

Advisement to the Parties

This matter was scheduled to be heard on September 17, 18, 19, 20, 23, 24 and 25, 2019. As the parties were previously informed, the Office of Administrative Hearings was unable to secure a hearing room on the first floor of the building for September 17th. The parties stipulated that the September 17th date should be vacated and requested that an additional hearing date be set for September 26 or 27, 2019.

The ALJ has now learned that there is no first-floor room available on the previously scheduled hearing date of September 25th, and he has been informed that no such room is available on September 26th or 27th.

The first additional dates for which a room on the first floor is available are September 30 through October 3, 2019. The ALJ has reserved a room and added these dates to the docket. In addition, he has not yet vacated from the docket the hearing dates of September 17th and September 25th.

Choices for the parties to consider include (1) holding the hearing on September 18, 19, 20, 23, 24 and 30, and if necessary on October 1, 2 and/or 3, 2019, in which case it will be conducted in the first-floor rooms; or (2) holding the hearing in an OAH hearing room on September 17th and/or 25th, and in a first-floor hearing room on September 18, 19, 20, 23 and 24, 2019. Alternatively, the Department can make arrangements for a venue at which the hearing can be conducted on September 17, 25, 26, and/or 27, with the remaining days being held in a first-floor room. See ARIZ. REV. STAT. § 41-1092.01(G).

The parties should confer and inform the ALJ as to their preference. After hearing from the parties, the ALJ will issue an Order confirming the dates on which the matter will be convened. If the parties believe it is necessary, a telephonic status conference can be conducted to discuss this issue.
